

Dyscalculia and low numeracy: Strategies for teachers

Presented by
Ann Williams

Date: Sunday February 10, 2019
Time: 9.30am – 1.00 pm Registration from 8.45am (morning tea provided)
Venue: Treacy Centre, 126 The Avenue, Parkville, Melbourne
Cost: LDA Members \$60; Non-members \$75; Group of 5: \$65pp; Students \$50

PROGRAM

- Dyscalculia: assessment and diagnosis
- Concrete-pictorial- abstract approach – strategies and interventions
- A demonstration of concrete materials and how these can be used with students

Ann: "As an ex chalkie myself, I aim my PDs at the 'regular' teacher, as years of experience have taught me to be practical. I aim to give teachers something they can use in their own teaching, the day after the PD."
